It is also possible to leave a cash deposit at Conciergerie - Guest service. This can be done at any time from embarkation until 11:00pm the following day, although your Cruise Card is active from the moment you board. Remember that your children's Cruise Cards will also be activated for purchasing, so please ensure they do not use them without your authorisation. An itemised statement will be sent to your cabin at the end of the cruise though you may check your account at any time using the ITV system in your stateroom. Any remaining balance on your Cruise Card won't be credited automatically to your debit or prepaid card. It will be reimbursed in cash in the onboard currency. For further details, please refer to the "Onboard Payments" flyer distributed on embarkation and available at Conciergerie - Guest service.

SERVICE CHARGE

During your cruise, you will meet staff throughout the ship who provide you with excellent service. They are supported by just as many staff and crew who work hard behind the scenes. For your convenience a daily service charge amount is automatically added to the shipboard account and is based on a customary industry standard. This is a simple way for you to show your gratitude to those who have served you, and will help us to maintain the highest standards of service to our guests. In case you wish to adjust any part of the Hotel Service Charge, you may request a form from your cabin steward/stateroom attendant starting the 3rd day of the cruise till second last day of the cruise and conveniently drop it in the "DIVINA box" located by Reception - Guest Services on Deck 5". We highly value your feedback as we at MSC Cruises are always striving to improve our services and exceed guest satisfaction.

THE CRUISE CARD

The Cruise Card given to you at embarkation serves as your personal ID, stateroom key and "cruise credit card" for purchasing products and services on board. For security reasons, you must show your Cruise Card at the gangway each time you go ashore or return to the ship. If you misplace your card, please inform Concierge - Guest service immediately. Your card will then be blocked for safety reasons until a new one is issued. On your card you'll find a number to call in the event of any emergency while you're ashore. Please do not store the Cruise Card near electronic or metal objects that may demagnetize it, such as mobile phones, cameras, credit cards or lighters.

SMART CARD FOR FUN ONBOARD

The "Smart Card" is a unique, prepaid card designed exclusively for our younger guests. Children and teenagers under 18 can use the card to make small purchases on board (to play all videos games on board), as well as using it as an access card for their cabin. These great value, easy-to-use cards are available in US\$ 30 or US\$ 50 versions, and come with additional bonus credit of US\$ 5 (if you choose the US\$ 30 card) or US\$ 10 (for the US\$ 50 card). To buy a Smart Card, just fill in the form you will find at Concierge - Guest service (deck 5). The card will be delivered directly to your cabin. Please note that the Smart Card is non-refundable, so any amount left on the card at the end of the cruise will not be reimbursed.
