Welcome
to ST. JOHN'S
(Antigua and Barbuda)

Antigua and Barbuda are neighbouring islands in the Caribbean. Antigua, a slow paced but lively island, has 365 beaches with great reefs and wrecks for diving and snorkeling. Barbuda is a quiet island with a few visitors apart from eager bird watchers looking for the fabled frigate birds and those wishing to visit the Caribbean's largest rookery. Resting above the harbour, brightly painted 19th Century homes line the streets of Antigua's capital of St John's. Over a third of Antigua's population live in the island's commercial centre which was founded in the early 18th Century. The harbour's deep waters allow passenger ships to dock at Heritage Quay, a favourite with cruise ship passengers, and the more rustic Redcliffe Quay, where shops, restaurants and galleries inhabit restored stone and wooden structures.

EXPRESS WALK OFF DISEMBARKATION IN MIAMI

We remind all our guests that the "Express Walk off" program allows you to leave the ship immediately after clearance is received from the local authorities in Miami provided you can carry ashore your own luggage without assistance from the ship's personnel. Please DO NOT leave your luggage outside your stateroom the night before arrival in Miami and disregard any luggage tags that will be delivered. On the morning of disembarkation, please make your way to the gangway located on deck 6. Please have your documentation and Cruise Card handy. Further information will be provided in the Disembarkation Program at the end of the cruise.

INSECT BITE PREVENTION

In order to avoid bites due to the possible presence of mosquitoes and other insects, we advise you to cover exposed skin by wearing long-sleeved shirts, long pants and hats and use an appropriate insect repellent, when going ashore during this cruise.

WHEN GETTING BACK ONBOARD...

The security of our guests and the crew is our priority. When getting back on board you may be submitted to a security check twice, the first time - in port and the second - on board. Thank you for your cooperation.

BEACH TOWELS

Beach towels are provided in your stateroom. After use, they can be placed in the stateroom's bathroom, where crew will replace them with fresh ones every night. Towels cannot be left at the beach. In case towels are not returned, the amount of 20 USD will be charged to your onboard bill.

A HEALTHY SHIP AND A HEALTHY YOU

To help prevent the spread of colds, flu and upset stomachs, we ask you to wash your hands thoroughly with soap and hot water after using the bathroom. We also invite you to use a clean paper towel to open bathroom doors after washing your hands. Please also make use of hand sanitizers that are positioned around the ship and at each end of the gangway. It is also highly recommended to avoid eating any street food or local food products which don't follow highly controlled hygiene practices.

PORT SHOPPING BUYER'S GUARANTEE

The Port Shopping Program is operated by The PPI Group and the stores listed on this map and mentioned in the Port & Shopping Presentations have paid an advertising fee to promote shopping opportunities ashore. These stores provide a 60-day guarantee after purchase to MSC's guests. This guarantee is valid for repair or exchange. Buyer's negligence and buyer's remorse are excluded from the guarantee. Only appraisals secured by a guest from independent gemologists not affiliated with any retail jeweler will be considered in order to determine quality and value of jewelry related to any claims. Price paid for merchandise or verbal claims or agreements between merchant and guest will not be grounds for returns. Electronics and watches must be returned by the guest to the respective manufacturer. All purchases, including fragile items, must be checked before leaving the store. Please do not mail merchandise without prior authorization. Guests are responsible for all shipping and appraisal costs. Guest claims arising from purchases made at participating stores within 60 days should be directed to the Customer Service Department at the PPI Group: 6261 NW 6th Way, Suite 100, Fort Lauderdale, FL 33309, Phone: (954) 377-7777 or toll free: 1-888-774-4768, Email: mscservice@ppigroup.com. MSC “EXPRESS WALK OFF” - DISEMBARKATION

Do you have an early flight to catch in Miami? Do you have to leave us in a hurry? The “Express Walk off” program allows you to be **among the first Guests to disembark the ship after we dock in Miami (around 6:30am) till 7:30am, by carrying your own luggage.**

As an “Express Walk off” Guest, you will be able to disembark as soon as we receive clearance from the local authorities (around 6:30am) till 7:30am.
If you wish to take advantage of this program, the following applies:

Keep your luggage inside your stateroom at all times, since you will be carrying it with you when you disembark. **DO NOT** place it outside the night before arrival. Please disregard any luggage tags that will be delivered or return them to your Stateroom Attendant.

For operational reasons, it will be necessary **for you to carry your own luggage** off the ship without any assistance from our staff during the disembarkation process. For this reason, guests requiring wheelchair assistance are invited to join the assisted disembarkation process.

On the morning of disembarkation, make your way to **the Gangway Deck #6 MID or Gangway on Deck #7 FWD** and wait comfortably for the clearance announcement (Cruise card and documentation in hand).

After leaving the ship, you will be required to **complete Customs and Immigration formalities** before exiting the terminal building.

Please note that once you have left, you will not be allowed back into the terminal to collect any items that you may have left behind.

Further instructions will be provided in the **Disembarkation Program** and the Disembarkation Talk towards the end of the cruise.
No need to enroll in this program.
