JazzFest at Sea

Welcome
to **BRIDGETOWN**
(Barbados)

Bridgetown is the capital and commercial centre of Barbados. Bridgetown was originally named "Indian Bridge" for the rude bridge which had been constructed over the river (now known as the Careenage) by the Indians. It was later called the "town of St. Michael" in official documents, before finally being named Bridgetown. The Chamberlain Bridge was erected in 1872 and was a swing bridge operated by two persons, allowing entry into the inner basin of the Careenage. In 2006 the Chamberlain Bridge was replaced with a modern lift bridge. Barbados is also a coastal community of beaches, coral reefs and coral rocks, tide pools, cliffs, underground lakes and caves, along the shores of calm or rugged seas. The physiography, history and architecture of Barbados is unique. It is home to many indigenous and migratory species of wildlife, birds and mammals, including the endangered green turtles which can still be seen laying their eggs along the shore.

EXPRESS WALK OFF DISEMBARKATION IN MIAMI

We remind all our guests that the "Express Walk off" program allows you to leave the ship immediately after clearance is received from the local authorities in Miami provided you can carry ashore your own luggage without assistance from the ship's personnel. Please **DO NOT** leave your luggage outside your stateroom the night before arrival in Miami and disregard any luggage tags that will be delivered. On the morning of disembarkation, please make your way to the gangway located on deck 6. Please have your documentation and Cruise Card handy. Further information will be provided in the Disembarkation Program at the end of the cruise.

INSECT BITE PREVENTION

In order to avoid bites due to the possible presence of mosquitoes and other insects, we advise you to cover exposed skin by wearing long-sleeved shirts, long pants and hats and use an appropriate insect repellent, when going ashore during this cruise.

WHEN GETTING BACK ONBOARD...

The security of our guests and the crew is our priority. When getting back on board you may be submitted to a security check twice, the first time - in port and the second - on board. Thank you for your cooperation.

BEACH TOWELS

Beach towels are provided in your stateroom. After use, they can be placed in the stateroom's bathroom, where crew will replace them with fresh ones every night. Towels cannot be left at the beach. In case towels are not returned, the amount of 20 USD will be charged to your onboard bill.

A HEALTHY SHIP AND A HEALTHY YOU

To help prevent the spread of colds, flu and upset stomachs, we ask you to wash your hands thoroughly with soap and hot water after using the bathroom. We also invite you to use a clean paper towel to open bathroom doors after washing your hands. Please also make use of hand sanitizers that are positioned around the ship and at each end of the gangway.
