### CREW SAFETY DRILL

For the safety of everyone onboard, a general emergency exercise for crew members only will be held today at 10:00am. Guests are not required to participate.

The island of Aruba is situated in the heart of the Caribbean and is one of the region's most popular vacation destinations. The capital of Aruba is Oranjestad, which offers a wonderful opportunity for a relaxing day! For centuries, the island was under Dutch rule, and Oranjestad is named after the Dutch King Willem van Oranje-Nassau (William of Orange-Nassau). Today, the Dutch colonial legacy can be seen in the architecture of traditional, tall, colorful houses decorated with quintessential Dutch tiles, and which merge seamlessly with the native island culture. There is plenty for nature-lovers, most notably the amazing Butterfly Farm, Aruba's number one ecological attraction. Natural beauty is a hallmark of Aruba: the coasts are renowned for their sandy white beaches, enhanced by picture-postcard palm trees. The crystal-clear waters around Aruba offer exceptional visibility, making it a haven for snorkeling and diving enthusiasts, to whom we recommend our unique submarine and "Sea and See" tours. Families and those who prefer to stay on land should not miss Baby Beach, ideal for children because of its shallow waters.
