

MSC TRAVELLER: A WORLD OF BENEFITS AT YOUR FINGERTIPS

Discover a new way to enjoy every moment with MSC Cruises*.

MSC Traveller is an innovative web application to enhance your cruise experience and help you get more out of each day of your cruise. Completely free to use on board, the web application can operate without an internet connection. It is available in the company's six official languages (English, French, German, Italian, Portuguese and Spanish) and provides up-to-date information about the ship, route, conditions at sea and in ports of call, promotions in the ship's various shops and boutiques, as well as activities and special events on board. It even lets you update a daily schedule with the events you don't want to miss. Best of all, the easy-to-use instant messaging function offers a great way to communicate with friends and family on board!

KEY FUNCTIONS OF MSC TRAVELLER:

- Instant messaging: chat with traveling companions and new friends
- Lunch and dinner reservations: book a table in our speciality restaurants
- Daily Program: consult it and add activities of interest to your daily schedule
- Excursion booking: avoid the lines and book tours the easy way
- News Feed service: stay up-to-date 24/7 with news from around the world
- Engaging content: access it easily from your device and live your cruise to the fullest

* The MSC Traveller WebApp is currently available on MSC Divina, MSC Preziosa and MSC Magnifica.

Note: this is a browser-base service- not a downloadable app. You can sign up once on the ship.
